Expand your knowledge of vended laundry equipment at Alliance Laundry Systems Technical Service Training Seminars held at the World Training Center in Ripon, WI.

Our product trainer will lead in-depth discussions on installation, user operation, maintenance and diagnostic methods for our lines of vended laundry equipment. You will learn how to properly take apart and re-assemble equipment. In addition, you will receive a plant tour, product manuals and a certificate of attendance.

Whether you're an experienced service technician, an owner/operator or would just like to learn more about our products, our seminars will take you step-by-step through the technical aspects of vended laundry equipment.

Reservations taken on a first come, first served basis. Class sizes are limited.
